Summary

I'm Tama, a software engineer based in Indonesia with over 9 years
of experience in ERP software and game development industry. I
specialize in using Odoo with Python on a daily basis, and I also
dabble in Unity with C# on the side.

I'm passionate about leveraging technology to create innovative
solutions that enhance the user experience. Let's connect over a
virtual coffee and explore how we can work together to bring your
vision to life!
